

Q2.4 Safeguarding Children Policy (Summary) - Sudbury Surgery

High Med Ltd + Dr Singh Hammond Road consortium | Lot 4 Sudbury Surgery (E84685) | Atamis C444743

Safeguarding lead GP: Dr Gursharan Singh. Board assurance: Dr Shumaila Mahmood. Aligned to Working Together to Safeguard Children and Brent safeguarding partnership arrangements. Full policy held in the practice policy suite.

Purpose and scope

Protects children and young people, including the specific position for 16-17 year-olds, the unborn, and children in vulnerable circumstances.

Key provisions

- Recognising abuse and neglect; thresholds and early help.
- Mental Capacity Act considerations for 16-17 year-olds; Gillick competence and consent.
- Referral to Brent children's social care / MASH; named and designated professionals.
- Children with a child protection plan and looked-after children registers and alerts.
- FGM, CSE/CCE, domestic abuse, and was-not-brought (rather than DNA) follow-up.

Governance and training

- Clinicians trained to Level 3; all staff to role-appropriate level; tracked on matrix.
- Information-sharing with health visiting, schools and social care under correct basis.
- Annual audit; significant event analysis; multi-agency participation; review cycle.
