

Q2.4 Safeguarding Adults Policy (Summary) - Sudbury Surgery

High Med Ltd + Dr Singh Hammond Road consortium | Lot 4 Sudbury Surgery (E84685) | Atamis C444743

Safeguarding lead GP: Dr Gursharan Singh. Board assurance: Dr Shumaila Mahmood. Aligned to the Care Act 2014, Mental Capacity Act 2005 and Brent multi-agency safeguarding arrangements. Full policy held in the practice policy suite.

Purpose and scope

Protects adults at risk of abuse or neglect, setting out recognition, response, referral and recording for all staff including locums.

Key provisions

- Types and indicators of abuse and neglect; making safeguarding personal.
- Mental Capacity Act 2005, best-interest decisions and Liberty Protection Safeguards.
- Consent and information-sharing under the correct legal basis (UK GDPR / DPA 2018).
- Referral pathway to Brent adult social care / MASH and named ICB designated professionals.
- Domestic abuse, modern slavery, Prevent, self-neglect and carer support.

Governance and training

- Clinicians trained to Level 3; all staff to role-appropriate level; tracked on matrix.
- Vulnerable-adult register and alerts; regular safeguarding meeting and case review.
- Annual audit; significant event analysis; policy review cycle.
